

ANNUAL REPORT 2022 - 23

COER UNIVERSITY, ROORKEE

**Post Box 27, 7th KM on Roorkee Haridwar Road, Vardhmanpuram, Roorkee 247 667
(Uttarakhand) INDIA**

Preface

The COER University, Roorkee is at the forefront of heralding a new era of private higher education in Uttarakhand. Founded in 2021, it distinguishes itself from other universities by having a vision of becoming a **Center of Excellence** comparable to International Standards and setting a new benchmark in higher and professional education.

It has constantly been striving towards the attainment of its objective. In a short period, the university has signed MoUs with reputed universities in the USA, Canada, Russia, and Ethiopia. Vital MoUs have also been signed with the Industry & Research Organizations in the country.

The presence of a highly distinguished board of eminent educationists and experienced faculty members has ensured that the teaching and research undertaken at the university are of high value and meet industry expectations. Faculty members constantly engage in research work that is published in reputed journals. The university is in its phenomenal growth trajectory and continues to invest significantly in research, infrastructure, technology, and staff to deliver on its vision.

The University of Engineering and Technology (COER UNIVERSITY, ROORKEE) was established by the Uttarakhand State Government Act No. 55/XXXVI(3)/2021/11(1)/2020 dated February 15, 2021 of the State Legislature as a State Private University and was included in the list of Universities established as per Section 2(f) by the UGC and empowered to award Degrees under Section 22 of the UGC Act, 1956.

The Annual Report 2022 - 23 provides highlights of the various activities undertaken at the university in the past year. COER UNIVERSITY, ROORKEE has been ranked among the top emerging universities in the country.

We thank our Hon'ble Chancellor Er. J. C. Jain, Pro-Chancellor Shri Shriyance Jain, Executive Director Ms. Charu Jain, Vice-Chancellor Prof. Satya Pal Gupta and Pro-Vice-Chancellor Prof. S. P. Pandey, Group Director Prof. (Dr.) Brij Mohan Singh for their constant support and encouragement in bringing out this report. We are thankful to the Deans and Heads of the Departments for providing the information included in this report.

Message from the Hon'ble Chancellor

"We want the education by which character is formed, the strength of the mind is increased, the intellect is expanded, and by which one can stand on one's own feet"

Swami Vivekanand

At the COER University, Roorkee, one of our primary goal is to mould students into future influential leaders. Our purpose is to serve society by delivering high-quality education, utilizing cutting-edge instructional strategies, and fostering holistic development in our students so that they may contribute to the world by doing ethically sound business.

The sole objective of one's educational pursuits should not be to get degrees. It is to guide the brains of our younger generation, who are still quite impressionable, in the proper way. Our pupils will one day go on to become citizens of the world. They can lead our nation to unprecedented levels of prosperity and success. Our goal is to cultivate an atmosphere conducive to teaching and learning, thus, we will do all we can to achieve this. The course material is pertinent to the requirements of an ever-evolving world. Academic success, leadership, self-confidence, mutual respect, and a feeling of belonging to a global community are all fostered and inculcated due to this.

In the first year of the establishment of the University, the University signed various MoU's with National and International Universities for the exchange program of faculty and students. The Trust i.e. Seth Roshan Lal Jain Trust, sponsoring body of the University is known for its excellence and commitment to education, striving to achieve the milestone of being the best University in the country. The University has designed its curriculum as per the National Educational Policy 2020 (NEP 2020), incorporating all the suggestions.

I wish to thank the Vice-Chancellor, Officers, Deans and faculty members of the University who worked day and night to achieve a milestone in the very first year of inception.

"You do not need to be great to start, but you do need to start in order to be great."

Er. J. C. Jain
Chancellor
COER University, Roorkee

Message from the Hon'ble Pro-Chancellor

"Create opportunities and convert them into success"

The COER University, Roorkee equips students with world-class skill education to enable access to aspirational jobs and inculcate entrepreneurial mindsets and entrepreneurship. It aims to create a win-win for the youth and the industry by filling the existing gap in skilled training.

The University strives to integrate the youth of hands, intellect and heart for healthy living and engagement in life-long learning based on the education philosophy of thinkers such as Mahatma Gandhi. The emphasis will be on instilling self-reliance long-term independence as well as wisdom for cultivating the valuing of interdependence.

The University wants to shift the present skilling paradigm by making skill acquisition aspirational and making the possibility of skilling, up-skilling and reskilling possibility available to everyone. COER UNIVERSITY, ROORKEE will also provide incubation and ongoing support to entrepreneurs, as well as quality coaching to help the students. The university will provide courses to people from all walks of life, with the goal of empowering underprivileged and minority groups by giving them with access to a world-class education. The University's goal is to create citizens who are well-informed and well-rounded.

Shriyance Jain

Pro - Chancellor
COER University, Roorkee

Message from the Executive Director

"We cannot always build the future for our youth, but we can build our youth for the future"

At the COER University, Roorkee (COER UNIVERSITY, ROORKEE), we acknowledge the students, parents, teaching and non-teaching staff and society in general as our stake holders for their continuous support in taking this institution to greater heights. We never compromise on any part of our quality and our policy of providing technical education of international standards. A college education is the foundation for all future possibilities in the life of a student. Also, quality education is a passport to its steep rise in life and creates practical avenues to attain financial gains.

As the University administration, it is our responsibility and duty to provide our students the highest level of education in every field. It provides golden opportunities to lead a life of dignity and prosperity. To achieve this goal, several add-on courses, training in placements, personality development, communication skills, and other soft skills are provided by expert members. We create not the future instead; we craft you for the future. These are substantial challenges to great efforts but, always remember, great efforts bear the sweet fruit of success. We want you to taste the fruit of success once and for the rest of your life, you will never rest.

Mrs. Charu Jain
Executive Director
COER University, Roorkee

Message from the Vice-Chancellor

"The future belongs to those who can imagine it, design it, and execute it. It isn't something you await, but rather create."

HH Sheikh MBR Al Maktoum, Ruler of Modern Dubai

The first Academic Year of the COER University, Roorkee (COER UNIVERSITY, ROORKEE) had been eventful with a number of achievements earned by the faculty members and students. The uncompromising academic standards and discipline and the astute mentoring by the Visionary Management is poised to script a new story of Academic Excellence as the University moves further in its journey.

In its very first year COER UNIVERSITY, ROORKEE has been ranked No. 1 University in the State of Uttarakhand, No. 1 in the North Zone (UP, Uttarakhand, Haryana, Rajasthan and Punjab) and No. 10 in India among top 50 emerging Universities by the Education Post under IIRF 2022 University Ranking India.

COER UNIVERSITY, ROORKEE started the journey by carefully and meticulously charting directions to achieve excellence. The Logo of the university was conceptualized to rise and blossom into an institution of excellence in higher education and become a University of Opportunities.

The University started with four Colleges in the disciplines of Computing, Business Management, Agriculture and Design. A curriculum with Choice-Based-Credit-System was introduced with emphasis on Skilling and Project-Based Learning. The syllabi of all courses of study were developed meticulously on the principles of the National Education Policy (NEP 2020) by the respective Boards of Studies(BoS). A 10-point grading system was introduced for evaluation. An important aspect of Curriculum development was to introduce the life skills as prescribed by the UGC which includes communication skills, interpersonal skills, time management, teamwork, flexibility, problem-solving, professional-skills, decision making skills, leadership abilities, and universal values.

COER UNIVERSITY, ROORKEE invited a number of top ranked distinguished academicians and industry leaders who mentors our students with carrier building skills. Similarly, a number of MoUs have been signed with top ranked Universities in US, Canada, Russia, and Ethiopia as well as Research Organizations in India to provide our students with exposure to global practices and opportunities in higher education.

As we move further our resolve to give the best education and career opportunities to our students will continue to be our prime focus.

Prof. (Dr.) S. P. Gupta
Vice-Chancellor
COER University, Roorkee

Message from the Pro-Vice Chancellor

The cornerstone of our academic prowess lies in our relentless pursuit of knowledge and innovation. This year, our esteemed faculty and passionate researchers have pushed the boundaries of discovery across diverse disciplines. From pioneering breakthroughs to fostering interdisciplinary collaborations, our institution continues to be at the forefront of cutting-edge research.

The foundation of a progressive educational environment rests on robust infrastructure. We take pride in the significant investments made towards modernizing and enhancing our facilities which has not only elevated the learning experience for our students but has also provided state-of-the-art spaces for research and collaboration.

This year, we have been honoured with awards and accreditation received by the University and the Guiding Management, reaffirming our dedication to maintaining the highest standards of education and research. These accolades serve as a testament to the collective efforts of our faculty, staff, and students.

Our commitment to the community extends beyond the walls of our campus. Through various outreach programs and initiatives, we have continued to make a meaningful difference in the lives of individuals and communities. Whether through Tree Plantation Drive, Blood Donation Camps, Womens day Celebration or Free Health Check-up Our university remains steadfast in its commitment to social responsibility and positive societal impact.

As we celebrate our achievements, we recognize that they are a testament to the collaborative spirit and unwavering dedication of each member of our university community. The coming year holds tremendous promise and we are poised to embrace new challenges, foster innovation and continue our journey towards academic excellence and societal relevance.

Together, let us continue to strive for greatness and make a profound difference in the world through our collective endeavors.

Professor (Dr.) Brij Mohan Singh,
Pro-Vice Chancellor,
COER University, Roorkee

Message from the Pro-Vice-Chancellor (Academics)

"We cannot always build the future for our youth, but we can build our youth for the future"

The key differentiator of a great institution is none other than its people. The Management, Faculty, Staff, and Students at the COER University, Roorkee make this institution shine as a testament to learning, committed to fostering knowledge and strengthening young minds. We can all be proud of COER UNIVERSITY, ROORKEE's numerous successes, which were made possible in the organization's early years by the tenacity and commitment of the whole COER UNIVERSITY, ROORKEE family.

Building on the solid foundation, there is a two-pronged effort to excel as a future-ready, learning-centric university. One, the continual consolidation and expansion of structures, processes and capability to enhance academic standards and credibility, and two, the determined focus to be proactive and agile to respond to the challenges of the present and immediate future. Additionally, there must be a clear focus on being proactive and adaptable in order to meet today's and tomorrow's difficulties. The major forces influencing this substantial change in higher education are pervasive. Digital technology for instance, will change how education is provided and accessible as well as how value is created to give businesses a competitive edge. The university has already made progress in this area, and now students and faculty may reap the rewards of digital technology and IT enablement. Students at COER UNIVERSITY, ROORKEE are expected to acquire fundamental and practical knowledge in a variety of professional fields, including Computing, Management and Agriculture.

COER UNIVERSITY, ROORKEE is the perfect setting for any young, eager learner who aspires to become an in-depth professional and decent corporate citizen with all the qualities, which are snuggled in a beautiful and distinctive atmosphere. Our commitment to teaching, research, and service has a positive impact not only on Uttarakhand but also on the rest of the country.

Welcome to the COER University, Roorkee

Prof. (Dr.) S. P. Pandey
Pro-Vice-Chancellor (Academics)
COER University, Roorkee

Message from the Registrar

"21st century belongs to young India and our young minds"

We firmly believe that for a continuous growth, a professional expedition for knowledge, needs to continue forever. The influential highly unstable world insists the academicians to give right momentum for making life-long learners out of students.

We at COER UNIVERSITY, ROORKEE are committed to provide our students with outstanding education, practical training and facilities in the career they have chosen to pursue. To touch this pedestal, we constantly update our curriculum, so that good quality of professionals comes up to fulfill the emerging needs of industries and social landscape. Not just for a decent career, we prepare a student for life. Endowing them with the best of facilities, we emphasize on imparting excellent education to our students in an encouraging environment, we pay equal attention to the overall development of our students. We provide opportunities for students to develop their personalities in terms of sports and cultural activities so that they become good human beings. We firmly believe in knowledge dissemination and knowledge creation through our highly qualified and experienced faculty members.

The University is known for its "State of Art" infrastructure, conducive and secure environment, various innovative schemes like" Project Based Learning and many more which are acclaimed all over region. In addition, the university has carved a niche that supports the transformation of the work culture to be competent professional through teamwork, innovation, receptiveness, and efficiency. COER UNIVERSITY, ROORKEE provides conducive atmosphere to the students for ethnic development of their personality.

Apart from academic rigorous, the students are also provided with various opportunities to excel at sports and develop their personalities. I am confident that the students will have a life-transforming experience at the university. I encourage and welcome you to join us and fulfill your career aspirations

Prof. (Dr.) Manish Kumar
Registrar
COER University, Roorkee

 5. Government Polytechnic SIDKUL Haridwar, 17-Jan-2023
 6. Technology Incubation & Entrepreneurship Development Society (TIEDS) Business Incubator- Indian Institute Of Technology Roorkee, 21-Dec-2022
 7. Uttarakhand Science Education & Research Center (USERC),Uttarakhand, India, 12-Dec-2022
 8. SIDCUL Manufacturing Association of Uttarakhand (SMAU), 9-Dec-22

Vision and Mission of the University

Vision

- ✚ To become a centre of excellence comparable to international standards, helping define aspirations & possibilities for the long term, and producing life & career-ready professionals with leadership qualities, who are ready to challenge and be challenged in the areas of technology, engineering, management, the sciences, humanities, research, innovation & entrepreneurship.

Mission

- ✚ To develop a benchmark University in higher and professional education sectors.
- ✚ To provide an international quality education and learning experience in a world-class infrastructure and a research-driven academic environment, as well as to students looking for a well-rounded academic experience with enhanced employability prospects.
- ✚ We aim to harness human capital for a sustainable competitive edge and social relevance.

Values

As an Institute for professional and personal excellence, COER UNIVERSITY, ROORKEE believes in the value based education that our founder Late Seth Roshan Lal Jain Ji propagated, and plans to expand upon them, providing a quality experience and knowledge that can be practically applied. We aim to be a holistic center of learning and an avant-garde research machine that doesn't forget its roots. Most of all, we value honesty, responsibility, sincerity, and sacrifice in all walks and phases of life.

COER University Goals

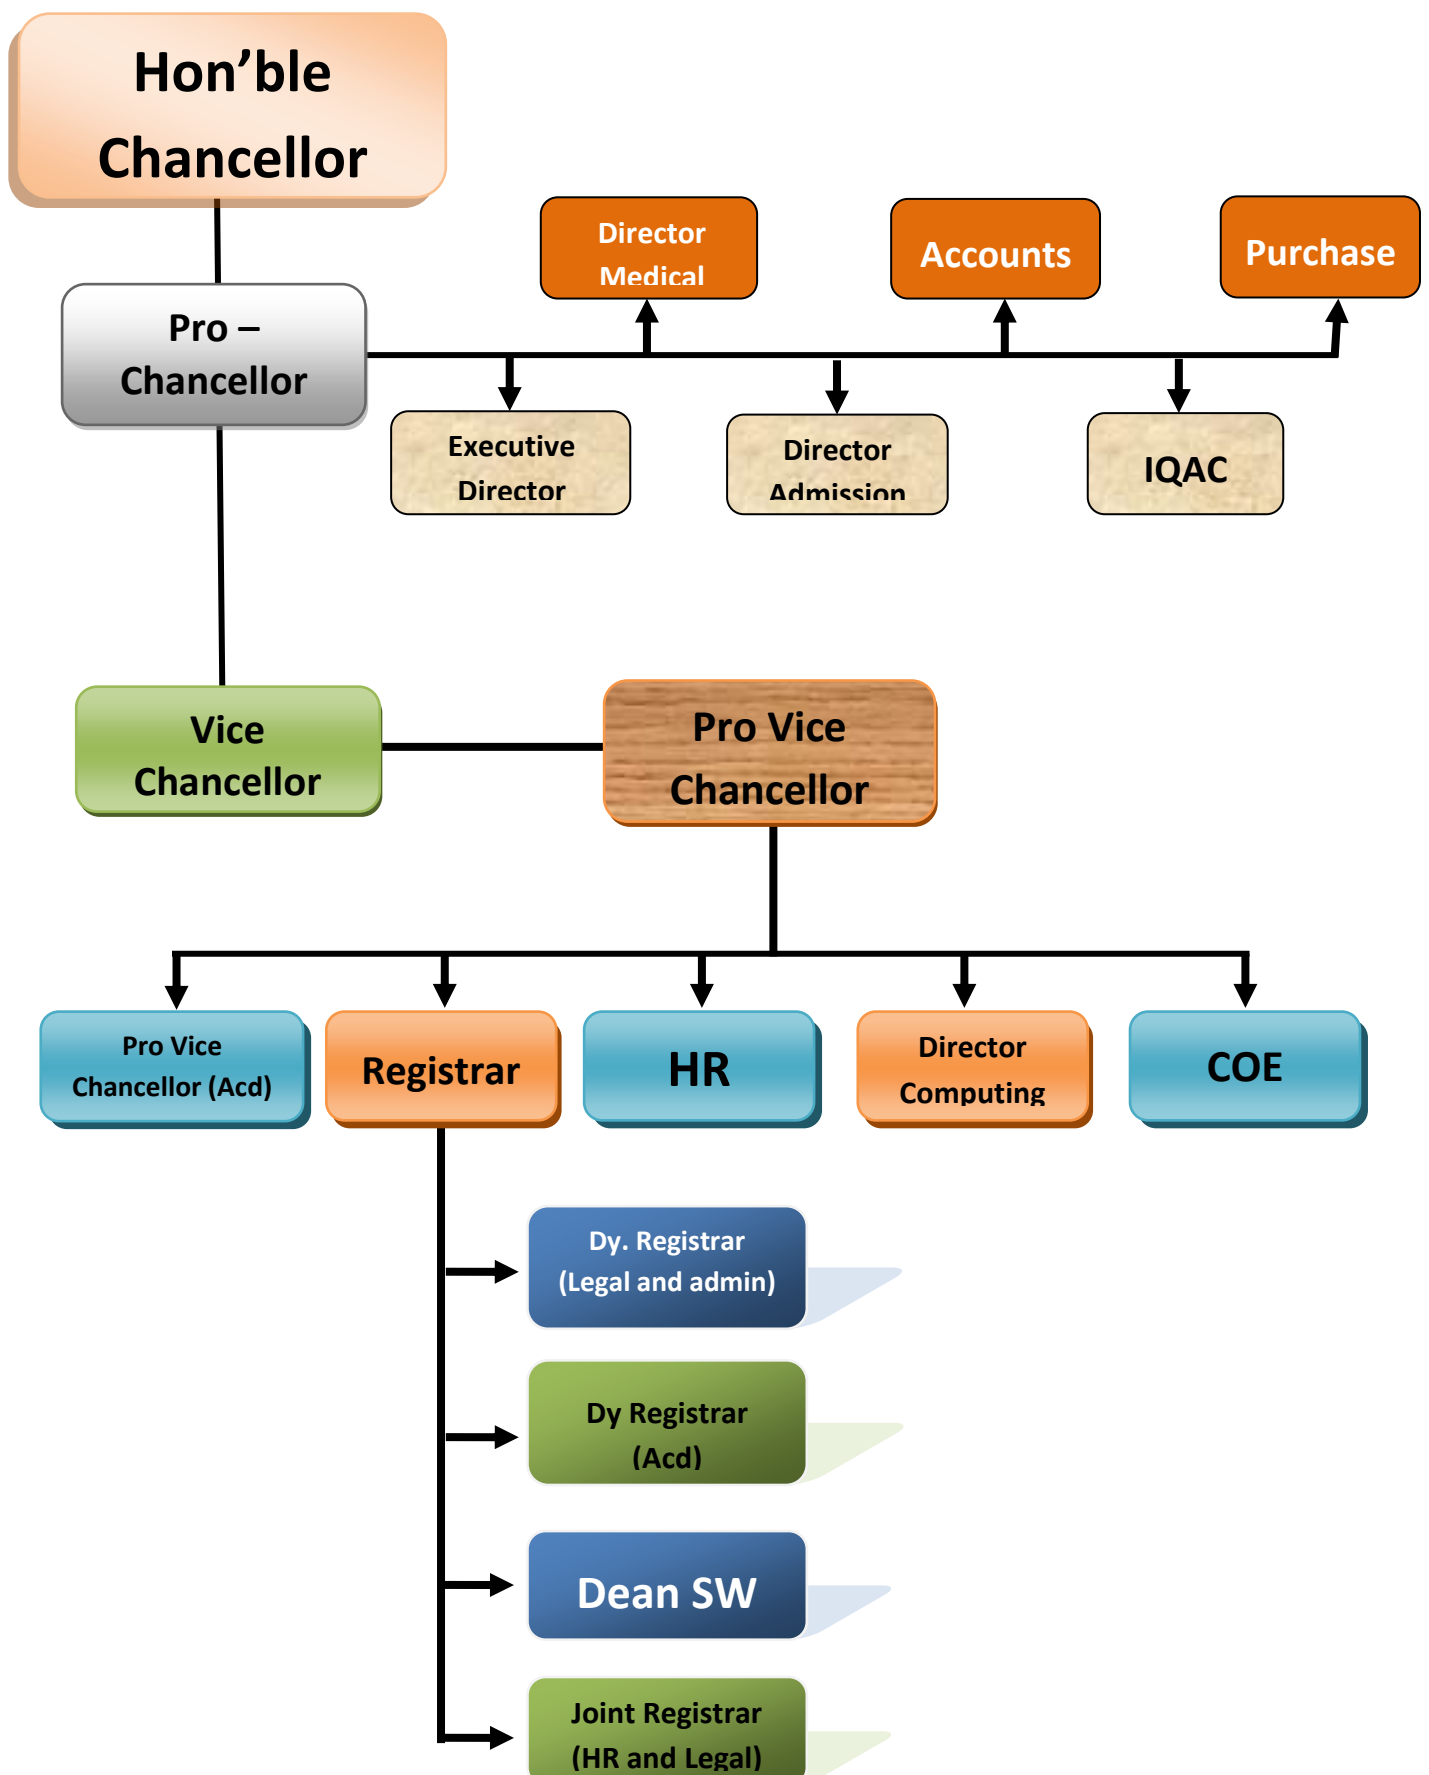

- ✚ Promote academic and research quality
- ✚ Expand enrollment and enrich reputation
- ✚ Enhance talented and skilled manpower
- ✚ Effective teacher learning and professionalism
- ✚ Boost COER UNIVERSITY, ROORKEE networking with academia and industry
- ✚ Enrich environmentally sustainable and IT-enabled campus
- ✚ Diversify and increase financial resources
- ✚ Building strong relationships with Alumni, Stakeholders and Society
- ✚ Improve the placement activities
- ✚ Enhance the consultancy services
- ✚ Globally transparent admission system

Objectives

- To attract the best of the students from India and abroad
- To make the teaching student-centric (learner-centric) and practical oriented to provide quality education
- To inculcate moral and ethical values among students and employees
- Increasing focus on admission of foreign students and introduction of new and interdisciplinary courses.
- To introduce CBCS as per International Standards of credit transfer
- To retain and recruit highly qualified, talented, and motivated faculty
- To retain and recruit skill-oriented technical and trained administrative staff

- To provide the best academic facilities (State-of-the-Art and cutting-edge technology labs, world-class digital library, and IT enabled facilities)
- To make the COER University as ERP enabled campus
- To intensify quality research processes by enhancing research facilities
- To strengthen the engagement of industry-academia linkage for collaborative research, training, internship, and industry exposure for creation of knowledge
- To collaborate with high repute National/ International Institutions for student and faculty exchange programs and joint research projects for knowledge updation
- To link the research and consultancy outcomes to National and International societal needs through technology upgradation and transfer
- To provide scholarships to meritorious students and financial assistance to needy students
- To strengthen the placement and entrepreneurship development
- Continuous reforms in curriculums and regulations, organization of international conferences, seminars, workshops, and training (in-house, nationwide, and across the World). As per the needs of Industry 4.0 / 5.0 in Computer Science, IT, Management and Agriculture area.
- To strengthen Alumni Association activities for resource generation and further improvement

Organization Structure of the University

University at a Glance

The COER University (Formerly known as COER University, Roorkee) was established in 2021, vide the COER University, Roorkee Act, 2020 (Uttarakhand Act No. 07 of 2021) as a Private University and is located in Roorkee, Uttarakhand. The COER University, Roorkee has been notified by the UGC. The University is sponsored by Seth Roshan Lal Jain Trust, 7th Km. of Roorkee-Haridwar National Highway, Vardhmanpuram, Roorkee, District Haridwar, Uttarakhand -247 667 for Technical Education, Higher Education, Management Education, Social Science, General Science, Training and Research Work. The beautiful green campus of the COER University is located on the Roorkee-Haridwar National Highway-58. COER University aims to be a premier university in the state of Uttarakhand and a peerless champion in world-class education, a centre of excellence comparable to international benchmarks.

COER University aims to expose students to the world of emerging technologies, empowering them with the confidence to face new challenges and enabling them to shine in their chosen fields.

University Physical Resources

This attractive and green campus is spread over 30 acres and has facilities for 70 modern, spacious and well-designed class rooms, 50+ advanced, immersive and specialized laboratories, computer labs, multiple seminar halls, an auditorium (1500 seating capacity), six boys' and girls' hostels, and several sports courts, a sprawling playground and facilities for indoor and outdoor games.

University Library and Learning Resource (Librarian will update this soon today)

The University library is an integrated knowledge resource for central and departmental libraries, with an Open Access Catalogue for students, faculty and staff members. It is spread over an area of 1120 sq. mtr. The library is located on a separate floor with mezzanine flooring situated very close to the Administration block.

- The collection includes more than 16419 books, 67 journals and magazines on various disciplines and E-Journals through DELNET-1380 and J-Gate more than 2000. The collection of books includes documents covering a wide range of subjects from English literature, pure sciences, arts, history and social sciences, languages etc. for several reputed publishers.
- COER University Library is completely computerized and uses bar coding system with the help of Cyborg ERP software.
- 1481 video courses of NPTEL are available in Central Library
- The library has a spacious reading hall and with a rich references collection like Encyclopedias, self-help books, Rare books, material for preparation for GATE, GRE and other Competitive examinations and other reference material.
- Question papers of University examinations, Ph.D. Theses, Institute Publications and research papers are also available in the reference section.
- The reading area can accommodate around 200 users at any point in time. Central Library holding also includes dissertations and project reports of final year students.
- The library also provides access to the internet as well as CD/DVD-based electronic resources.

- A visitor's book is maintained for students and staff. New arrivals of books and journals are displayed on separate stands and racks.

University IT Infrastructure

We give massive importance to our facilities and learning resources and continuously ensure that our staff and students have full access to everything they need to help them succeed in their work and study, including a library, with 24/7 Wi-Fi access, ERP server, and smart classes etc.

University Student Support

COER University is committed to providing financial aid packages to help those who are brilliant in academics, and deserve nothing less than a world-class education but don't have the required means.

We offer a variety of scholarships:

- Single Girl Child Scholarship
- Uttarakhand Domicile Scholarship
- Defence/ COVID-19 Ward Scholarship
- Alumni Scholarship
- Meritorious Scholarship
- Siblings Scholarship
- EWS Scholarship

COER University addresses any issue related to the code of conduct including grievance redressal and internal complaint committees. COER University follows a zero-tolerance policy towards ragging as per the norms of the regulating authorities.

University Faculty Profile

About 400 faculty members have been recruited from prestigious national and international institutions, corporate houses, and industries. These professors are distinguished academicians who have been recognized for their research and teaching abilities.

University Research

Today's society faces a plethora of diverse, complex and demanding problems. Research and Development (R&D) activities don't just advance knowledge, improve our world and shape the future, but are also the backbone of academic life. At COER University, we have multi-disciplinary research programs and research activities that are nurtured in our Expert Research Groups and in the COER University-funded Centre of Excellence. We also organize special lectures for research and Intellectual Property Rights that help strengthen the undergraduate and postgraduate research programs.

The past decade has truly shown us the speed and scale at which technological advancements and change can happen. The next ten years will depend heavily on discoveries that come out of strategic, focused research from information technologies to Smart Agriculture, energy and the environment. Therefore, COER University focuses greatly on R&D - we aspire to become the leaders in research publications and patents.

University Facilities for Research Promotion

- Dedicated research and innovation labs
- An intellectual property rights cell to back our students
- Institutional innovation cell that provides guidance to research-oriented students
- A 'Do it Yourself' platform for hardware-related projects/research
- An incubation centre
- COER University publishes two international journals in the engineering and management fields
- Centres of excellence in all emerging technologies
- Renowned research mentors
- Tie-ups with other research labs such as CSIR-CBRI, Roorkee, Design & Innovation Centre, IIT Roorkee etc.
- Collaboration with international universities and colleges for collaborative research activities.
- Several specialized advanced labs
- Centres of excellence that give students an opportunity to experiment through advanced infrastructure and equipment
- Stocked central, departmental and hostel libraries

University Activities that Fuel Research at COER University

- Each student is encouraged to write a research paper every year; these are compiled and published in national and international research journals or conferences
- Faculty members are not only encouraged, but entrusted to publish papers in reputed international journals like SCI, Scopus, UGC and more
- Students and faculty are motivated to file patents
- COER University funds innovative research projects
- Monetary incentives are given to faculty and students who bring in research grants and publish research papers

University Patents and Intellectual Property Rights

Consistent and diverse research and development (R&D) activities are crucial to a well-rounded academic life. To this end, the initiatives of the COER University, Roorkee are always in line with this objective - we pursue knowledge through various programs aimed at developing and training highly skilled and technically adept graduates.

Research activities are conducted collaboratively in our Expert Research Groups and at the COER University-funded Centres of Excellence, with many of our research activities being sponsored by the government and various industries. Therefore, students and faculty are encouraged to write research papers and file patents, while being backed by our intellectual property rights cell and funded through the university itself.

COER University's research vision and strategy lean towards advancing knowledge, improving our world and shaping the future. Therefore, multi-disciplinary research is key to addressing society's diverse, complex and demanding problems - scientific and technological innovation has always created social and economic transformation.

Summary of Learning Opportunities & Research Work done by the Faculty & Students

Sr. No.	Learning Opportunities	Numbers
1)	FDP/ Workshops/ Webinars/ MOOCs	-
2)	Invited Lectures Delivered	02
3)	Webinar's/ Workshop's organized by External Experts	-
4)	Journal Research Papers, Conference Paper, Articles, Blogs & Books, Book Chapter Published/ Communicated	Journals (Pub. & Acc.): 71 Conference: 26 Articles: - Blogs: - Books: 12 Book Chapter: 15
5)	Patents	70
6)	Ph.D. Completed/ Submitted	02
7)	Activities Organized for Students	-
8)	Awards/ Recognitions	01

International Academic Collaborations

Along with our various professional relationships within the industry, COER UNIVERSITY, ROORKEE also has multiple cordial tie-ups with universities across the world. With our combined effort, our students can rest assured that the quality of education at the institute will be of international standards.

Design of Curriculum

COER University relies on the National Policy of Education-2020 as a guideline for the framework for a cohesive, comprehensive and complete curriculum. The programs of study are designed with a focus on:

- Continuous practical skill gained throughout the duration of the study.
- Rigorous and streamlined industrial internship slots in each year of study.
- Course-specific and research-centric teaching modules are offered from the get-go to ensure that at the end of each year, the student acquires applicable knowledge.
- A choice-based credit system that allows a student to pursue subjects of their choice from a wide range of electives.
- Multi-entry-multi-exit flexibility allows a student, in exceptional circumstances, to discontinue and re-join after a stipulated gap period. The facility of archiving students' grades in an Academic Bank of Credits (ABC) allows the student to continue from right where they left.
- Global exposure through multiple international partner universities.

Academic Facilities

COER University provides a magnificent and comprehensive range of facilities within the campus for its students. The development of avant-garde infrastructure and technical facilities has been a continuous process for us, and will be for the foreseeable future.

Designed to Lead, Not to Follow

With state-of-the-art facilities and upgraded infrastructure, COER University believes in providing the best possible experience to the students in every scenario. The technologically equipped classrooms and tutorial rooms facilitate teaching through advanced tools and techniques, and the university's libraries, built with knowledge and curiosity as foundational pillars, are well-equipped with a vast number of books, journals, magazines and newspapers for students. The laboratories provide practical exposure to various subjects and give an opportunity to the students to experiment with what they have learned in classrooms.

A Stellar View

The auditoriums at COER UNIVERSITY, ROORKEE are up-to-date with modern multimedia systems, which can be used for presentations, seminars, fests and other academic events.

The university frequently organizes national & international level conferences and seminars on various themes and disciplines to promote industry interaction for its students.

Our Centre of Excellence, DIY Labs and Resource Centre provide students with a means to channel their creativity through experimentation and innovation.

A Time of Reckoning

Since it has been proved that we truly live in the times of 'Global Village', and now no part of the world can be left unconnected, a stabilized link plays important role in this era of globalization. Realizing the need for constant internet, COER UNIVERSITY, ROORKEE facilitates uninterrupted connectivity at the constant speed of 100+ Mbps round the clock. An optical fibre back-bone with structural cabling provides internet connectivity between and to all the computers with students, academic block and administration and faculty residences.

Along with that, the university is enriched with renovated hostels, medical support systems, gymnasium, vast parking facility (accessible to both students & faculty). The campus also provides an eco-friendly environment to its students by being a completely smoke-free zone & has also taken active steps towards the usage of innovative & eco-friendly technologies such as the harvesting of solar power, rainwater harvesting, paper recycling & other green initiatives. Additionally, the university has taken extensive measures to address the need for vigilance & security. The campus is fully CCTV-enabled to cater the safety requirements of the students & staff.

Officers of the University

35)	Result Declaration	July 25, 2023	Tuesday	Even Sem 2022-23
36)	Summer Terms (for Even Sem)	July 27, 2023 To Aug 10, 2023	Thursday To Thursday	
37)	Summer College Examination	Aug 11, 2023 To Aug 31, 2023	Friday To Thursday	
38)	Industrial Training/ Projects	July 01, 2023 To July 31, 2023	Saturday To Monday	01 Month

Colleges of the University

College of Smart Computing

Vision of the College

To be an institute of international repute, by providing quality education in management through innovations and continuous improvements.

Mission of the College

1. To impart an education rooted in moral values as well as the latest knowledge and analytical skills.
2. To develop professionals with core and business competencies so that they can serve the society, industry and face global challenges
3. Taking an innovative approach to render quality services through advanced methods of training, research and strong institute - industry interface

Message from the Desk of HoD

Greetings! On behalf of the faculty members, staff, and students of the College of Smart Computing at COER University, Roorkee, I welcome you all to the creative world of Computer Science and Engineering. I believe the CSE discipline has been widely recognized as an essential source and technique for the advancements in all spheres of human Endeavour now and in future. In COER UNIVERSITY, ROORKEE all the students get the opportunity to excel in their academic activities. This is the department where students publish research papers in international journals and publish patents, at the same time a student wishing to achieve some recognition in extra-curricular or co-curricular activities will also find the atmosphere helpful.

Dr. Kamal Kant Verma
HoD
College of Smart Computing

The College has well qualified and dedicated faculty. The department strives to Impart knowledge and training of the highest standard. The objective of the College is to prepare students for a successful career in Industry, Research and Academics to meet the needs of growing technology. Our efforts are to develop the ability among students to synthesize data and technical concepts for application to product design. We provide an opportunity for students to work as members of a team on multidisciplinary projects. College of Computing provides students with a sound foundation in the computing techniques, scientific & engineering fundamentals necessary to formulate, solve & analyze engineering problems and to prepare them for higher studies as well as research. We promote student awareness for life-long learning & to introduce them to professional ethics and codes.

The College of Computing has a dedicated block containing digital class rooms and laboratories with well-equipped audio/video facilities with high computing resources. Multiple labs, offices, and meeting spaces provide a basis for practical knowledge, along with other necessary infrastructure that includes advanced software and state-of-the-art hardware.

- **List of Programs**

Sr. No.	Programs Offered	Intake
1)	Bachelor in Computer Applications (B.C.A.)	120
2)	B.Tech. (Hons.) in Computer Science Engineering {B.Tech. (H) CSE}	180
3)	B.Tech. (Hons.) in Computer Science Engineering with specialization in A.I. and M.L. {B.Tech. (H) CSE in AI & ML}	60
4)	B.Tech. (Hons.) in Computer Science Engineering with specialization in Cyber Security {B.Tech. (H) CSE in Cyber Security}	30
5)	B.Tech. in Computer Science Engineering {B.Tech. CSE}	180
6)	Masters in Computer Applications (M.C.A.)	30
7)	M.Tech. in Computer Science & Engineering (M.Tech. in CSE)	12
8)	Phd. in Computer Science & Engineering (Phd. in CSE)	10
Total Intake		622

- **List of Faculty Members**

Sr. No.	Name of the Faculty	Designation	Specialization
1)	Dr. Kamal Kant Verma	HOD	Machine Learning and Human Activity Recognition
2)	Dr. Sagar Gulati	Professor	Data Mining
3)	Dr Satyajeet Srivastav	Professor	Machine Learning
4)	Dr. Gesu Thakur	Professor	Data Structure & Algorithms
5)	Dr. Ankit Garg	Associate Professor	Image Processing
6)	Dr. Sunil Shukla	Associate Professor	Fractal Theory
7)	Dr. Anuj Kumar Singh	Associate Professor	Cryptography and Network Security
8)	Dr. Arun Pundir	Associate Professor	Machine Learning
9)	Dr. Bhupender Singh Rawat	Associate Professor	Cloud Computing
10)	Mr. Vijay Karnatak	Assistant Professor	Wireless Sensor Network
11)	Mr. Arjun Rai Dutta	Assistant Professor	WEB Development
12)	Mrs. Bhanupriya	Assistant Professor	Cloud Computing
13)	Ms. Diksha Dhiman	Assistant Professor	Artificial Intelligence
14)	Mr. Ravi Kumar	Assistant Professor	Data Retrieval

15)	Ms. Shivani Chauhan	Assistant Professor	Sign Language Recognition
16)	Dr. Mohit Gupta	Assistant Professor	Mathematics
17)	Dr. Sunita Rani	Assistant Professor	English & Communication
18)	Dr. Renu Chaudhary	Assistant Professor	Mathematics
19)	Ms. Neha Arora	Assistant Professor	Data Structure & C Programming
20)	Mr. Hemendra Sharma	Assistant Professor	Web Designing
21)	Ms. Neetu	Assistant Professor	IOT
22)	Mr. Anurag Singh	Assistant Professor	Computer Network, JAVA, Cyber Security, Operating System
23)	Ms. Nidhi	Assistant Professor	Big Data Analytics, IOT, Image Processing
24)	Mrs. Abhilasha	Assistant Professor	Cloud Computing
25)	Mrs. Neha Panwar	Assistant Professor	Image Processing
26)	Mr. Harsh Kumar Arya	Assistant Professor	Digital Marketing
27)	Mr. Kapil Kumar	Assistant Professor	Machine Learning
28)	Dr. Monika Chaudhary	Assistant Professor	Cloud Computing
29)	Ms. Shivani Kapoor	Assistant Professor	Literature
30)	Dr. Rupali Mishra	Assistant Professor	Physics

• **List of FDPs/ STPs Attended by Faculty Members**

Sr. No.	Faculty	Title	Organized by	Date/ Duration
1)	Dr Kamal Kant Verma	Developing Employable Skills	Education and Educational Management Department NITTTR Chandigarh	18 July 2022 to 22 July 2022
2)	Dr. Renu Chaudhary	Developing Employable Skills	NITTTR Chandigarh at University of Engineering and Technology.	18 July 2022 to 22 July 2022
3)	Mr. Kapil Kumar	Cloud Computing and its Application	National Institute of Technical Teachers Training & Research, Chandigarh	18 July 2022 to 22 July 2022
4)	Mrs. Anita Singh	Teaching and Learning Methodology Amid the Paradigm Shift in Higher Education	IQAC COER University under the aegis of USERC	July 24- 28, 2023
5)	Mrs. Nidhi	Teaching and learning methodology amid the paradigm shift in higher Education"	IQAC COER University under the aegis of USERC	24-7-23-29-7-23
6)	Dr. Rakhi Bhardwaj	Teaching and Learning Methodology Amid the Paradigm Shift in Higher Education	IQAC COER University under the aegis of USERC	July 24- 28, 2023
7)	Mr. Kapil Kumar	Cloud Application Development With Red Hat OpenShift (IBM)	GKU, Haridwar	25-09-23 to 29-09-23
8)	Mr. Kapil Kumar	Data Analytics With Cognos (IBM)	COER University Roorkee	3-10-23 to 7-10-23
9)	Mrs. Anita Singh	Data Analytics With Cognos (IBM)	COER University Roorkee	3-10-23 to 7-10-23
10)	Dr. Renu Chaudhary	Recent Trends in Artificial Intelligence and Cyber Security	the department of CSE at Shri Vishnu Engineering College for Women (A), Bhimavaram	01 Nov 2022 to 05 November 2022
11)	Dr. Sunil Shukla	Faculty Development Program on Recent Trends in Artificial Intelligence and Cyber Security	Shri Vishnu Engineering College for Women, Bhimavaram as a Resource Person	01-05 November 2022
12)	Dr. Renu Chaudhary	Cryptography and Network Security	NITTTR, Chandigarh.	14 Nov 2022 to 18 Nov 2022
13)	Dr Kamal Kant Verma	Cryptography and Network Security	NITTTR Chandigarh	14-18 Nov 2022
14)	Dr.Satyajee Srivastava	FDP on Python and Machine Learning	College of Computing.COER UNIVERSITY, ROORKEE	14 Nov. 2022 – 25 Nov. 2022

15)	Dr. Satyjee Srivastava	STC on Machine learning using Python	Organized by Department of Computer Science and Engineering, NITTTR, Chandigarh	21 Nov 2022 to 25 November 2022
16)	Mr. Vijay Karnatak	Awareness of electronics Tools for system design	G. Pulla Reddy Engineering College: Kurnool	28 Nov-3 Dec
17)	Dr. Kamal Kant Verma	Data Analytics With Cognos (IBM)	COER University Roorkee	3-10-23 to 7-10-23
18)	Mr. Ravi Psawal	Cloud Computing and its Application	G. Pulla Reddy Engineering College: Kurnool	28 Nov-3 Dec
19)	Dr. Renu Chaudhary	Cloud Computing and its Applications	G. PULLA REDDY ENGINEERING COLLEGE	28-Nov to 03-Dec-22
20)	Hemendra Shankar Sharma	Adoption of NEP modules in Academic Curriculum	Organized by department of computer science & Engineering, CUIET, Chitkara University, Punjab	30 Nov 2022 to 1 Dec 2022
21)	Dr. Satyajeet Srivastava	Adoption of NEP modules in Academic Curriculum	Organized by department of computer science & Engineering, CUIET, Chitkara University, Punjab	30 Nov 2022 to 1 Dec 2022
22)	Mr. Vijay Karnatak	Introduction to IOT	E & ICT Academy, IIT Kanpur	12 Dec 2022 to 16 Dec 2022
23)	Mr. Kapil Kumar	Recent Trends in computer Science	Sairam Institute of Tehnology, Chennai	19-24 Dec 2022
24)	Mrs. Nidhi	Awareness of electronics Tools for system design	Sairam Institute of Tehnology, Chennai	19-24 Dec 2022
25)	Mr. Kapil Kumar	Introduction to IOT	G. Pulla Reddy Engineering College: Kurnool	20 Dec 2022- 24 Dec 2022
26)	Mrs. Nidhi	Recent Trends in computer Science	G. Pulla Reddy Engineering College	20-24 Dec 2022

College of Business Studies

Vision of the College

To promote innovation-centric education, become a centre of excellence to international standards, perform research in pace with industrial development, producing 'life and career ready' professionals.

Mission of the College

- ✦ To develop the professionals having basic and advanced competencies so that they can serve Society & Industry and face global challenges.
- ✦ To impart education based on the latest knowledge, with analytical and experimental skills, through advanced methods of training, research and a strong Institute-Industry interface.
- ✦ To create an innovative and entrepreneurial ecosystem.
- ✦ To promote research/based projects/activities in emerging areas.
- ✦ To foster the science of creativity and educate ownership for sustainable & scalable ventures.
- ✦ To inculcate strong moral values and integrative thought processes for disciplined professional growth and instil lifelong learning.

Message from the Desk of Dean

To serve the industry by promoting Industry-academic interactions through dissemination of knowledge and professional services.

I am extremely proud of the rich tradition of providing practical, experience-based business education with value-based education. We are here to prepare our students to become leaders with the moral depth and rational intensity to meet the challenges of a time of critical situations in the world. This annual report provides a glance through various activities, events, both academic and co-curricular activities of College of Business Studies.

Dr. Veeralakshmi B.
HoD (Deptt. of Management)
College of Business Studies

At COER UNIVERSITY, ROORKEE's Business College, we focus on the principles of responsible business, policy and practice. This vision enables us to equip our students with the skills to evolve into global citizens, capable of addressing the pressing needs of society.

We believe that well-rounded, high-quality education is the key to produce empowered students who can face the challenges of the corporate world with creative solutions and sharp intuition. Our curriculum reflects the needs of present-day dynamic business and the current economic scenario in an effort to prepare a breed of professionals who have the skills and spirit to stand out in the business arena.

The College offers ultra-modern facilities such as well-equipped classrooms with digital/ smart boards, discussion rooms for breakaway groups and a fully WI-FI- enabled environment. State - of-the - art computer laboratories are also available to students at all times.

- **List of Programs**

Sr. No.	Programs Offered	Intake
1)	Bachelor of Business Administration (B.B.A.)	180
2)	Bachelor of Commerce with Computerized Financial Accounting{ B.Com. (CFA) }	60
3)	Master's in Business Administration (M.B.A.)	180
4)	Bachelor of Commerce with Honours (B.com Hons.)	120

College of Agricultural Science

Vision of the College

To produce agricultural graduates with high knowledge and competence by imparting practical technical education through innovative and analytical approach with an objective to create valuable manpower for sustainable agriculture, Argo- Industry and contribution to the society.

Mission of the College

- ✚ An integrative educational experience that blends fundamentals, research, & hands-on experience.
- ✚ Distinctive academic curriculum designed through the interaction with the major stake-holders like industry and professional societies.
- ✚ The state-of-the-art facilities and effective delivery of high-quality content by qualified faculty members who ensure the notion of lifelong learning.
- ✚ Promotion of exchange of scholars and students with international and national academic and research institutions.
- ✚ Scholarly activities that create and transfer new knowledge in the area of engineering and technology.
- ✚ Inculcating a high regard for ethical principles and an understanding of human and environmental realities.
- ✚ Promote research and training on sustainable development of the agricultural productivity, cost reduction in farming, farm mechanization and livestock production.

Message from the Desk of HoD

I am pleased to share the College of Smart Agricultural Science impact report with you. It summarizes our accomplishments of the year and gives us the opportunity to reflect on the tremendous progress that the College continues to make. Enrolments are robust, student engagement in experiential learning is high and faculty member remain deeply engaged in impactful research and teaching activities.

Dr. Jagatpal
HEAD

College of Agricultural Science

Our large array of College supporters gives generously of their financial resources, time and expertise to ensure we fulfil our mission and deliver a top-flight educational experience. Thank you for your partnership and your commitment.

In the past few years, we have overcome significant obstacles. We have emerged from these trials strong and now is the opportunity to appreciate where we have been and chart the next phase of success for the College of Smart Agricultural Science.

The College offers ultra-modern facilities such as well-equipped classrooms with digital/ smart boards, discussion rooms for breakaway groups and a fully Wi-Fi-enabled environment. State-of-the-art computer laboratories are also available to students at all times.

The College of Smart Agricultural Science at COER UNIVERSITY, ROORKEE was established with a focus on serving the nation through innovative, competitive, commercially oriented and scientifically sound agricultural practices. We strive to raise a generation of first-rate agricultural entrepreneurs and agribusiness managers who manage and conserve agriculture products while paving the new, scientific way for sustainable agriculture.

We hope to speed up developments in the field through thorough research activity and extension activities in agriculture at the National and International levels. COER UNIVERSITY, ROORKEE has collaborated with Kuban State Agrarian University (KUBSAU), Krasnodar, Russia for Training, Internship and research. The impact of agricultural education will soon pave the way towards the development of a new breed of entrepreneurs, increased employment opportunities, higher earnings and a better work environment.

College of Smart Agricultural Science is UGC-recognized, with its graduates eligible for employment anywhere in the country & abroad. There are multiple well-equipped labs with the necessary field equipment & research facilities for demonstration and independent project work.

College of Engineering

Department of Electrical & Electronics Engineering

Vision of the Department

To prepare graduates with necessary technical and practical knowledge and professional skills needed to address the real time challenges in the rapidly growing field of Electrical and Electronic Engineering and promote research in the emerging areas.

Mission of the Department

1. To impart teaching of electrical and electronics engineering with emphasis on recent advancements duly supported by practical training.
2. To encourage students to undertake research-based projects in emerging areas.
3. To establish linkages with industry for exposure to industrial applications
4. To encourage students to pursue MOOC - NPTEL online courses for value addition.
5. To encourage students to acquire knowledge through internship in India and abroad in emerging areas.

Message from the Desk of HoD

It is a pleasure to head the Department of Electrical & Electronics Engineering at COER University, Roorkee. The department offers B.Tech (Electrical & Electronics Engineering), and Diploma (Electrical Engineering). The department has a team of well qualified, experienced and motivated faculty members to prepare the young minds of our students for global competition. Students of the EEE department are also motivated and ready for Industry with hands-on experience on current technologies and programming languages. The graduate students of the department regularly appear in the University top positions and mostly work in the core companies.

Dr. Mukul Dixit
HoD

Electrical & Electronics Engineering

The department regularly organizes various Value Aided Programs (VAPs) like MATLAB, PSCAD, ETAP etc. which bridges the gap between academia and industries. In addition , communication classes and personality development programs are also organized for improving the confidence levels and creating a good and lasting impression on others. This is beneficial for the placement activities. Sports, co-curricular and extra curricular activities take place at University level and students participate in various intra-colleges, inter-college, inter-university fests/competitions. Department constantly works for overall growth of students and inculcates the qualities/features that are required and acceptable by Society. Faculty/students take initiative for social causes at individual level and as a team under different banners/clubs of the University. Turning a student into a good and proficient citizen is the prime aim of the department.

Department of Mechanical Engineering

Vision of the Department

To strive for creating a high-quality human resource that contributes to the technological development in the area of Mechanical Engineering in pace with the latest technology.

Mission of the Department

1. To provide and sustain a quality, state-of-the-art education in Mechanical Engineering that enables students to develop specialized knowledge and experience required to practice as professional Mechanical Engineers or to pursue higher education/research.
2. To create an Industry – academia association for improvement in the quality of teaching and learning.
3. To liaise with professional societies to keep the students and faculty abreast with latest developments in Mechanical Engineering.
4. To encourage students to pursue MOOC – NPTEL online courses for value addition.
5. To encourage students to acquire knowledge through internship in India and abroad in emerging areas.

Message from the Desk of HoD

Greetings!

On behalf of the faculty members, staff, and students of the Department of Mechanical Engineering at COER University, I extend a warm welcome to all of you, inviting you to immerse yourselves in the dynamic world of Mechanical Engineering. I firmly believe that Mechanical Engineering stands at the forefront, serving as a catalyst for advancements across various domains of human endeavor, both present and future.

In our department at COER University, students are provided with unparalleled opportunities to excel in their academic pursuits. It's a realm where students not only contribute to international journals with groundbreaking research papers and patents but also where those aspiring for recognition in extra-curricular or co-curricular activities find a supportive and conducive atmosphere.

Our department boasts a cadre of well-qualified and devoted faculty members. Our mission is to impart knowledge and training of the highest standards, preparing students for successful careers in Industry, Research, and Academics to meet the demands of evolving technology. We are dedicated to nurturing the ability among students to synthesize data and technical concepts for product design applications. Moreover, we offer collaborative opportunities for students to engage in multidisciplinary projects as part of a team. The Department of Mechanical Engineering provides students with a robust foundation in the latest technological advancements, scientific principles, and engineering fundamentals necessary to address and analyze complex engineering problems. Our focus is not only on academic excellence but also on instilling a commitment to life-long learning, professional ethics, and codes.

Dr. Nitesh Dutt
HoD
Department of Mechanical
Engineering

Our dedicated block houses state-of-the-art digital classrooms and laboratories equipped with cutting-edge audio/video facilities and high computing resources. Multiple labs, offices, and meeting spaces create an environment conducive to practical knowledge acquisition, supported by advanced software and cutting-edge hardware infrastructure.

I look forward to the continued success and growth of the Department of Mechanical Engineering at COER University, and I encourage everyone to explore the exciting opportunities that our department has to offer.

List of Programs

Sr. No.	Programs Offered	Intake
1)	Bachelor of Technology in Mechanical Engineering (B.Tech.)	
2)	Bachelor of Technology in Mechanical Engineering with Minor in Electrical Vehicle/Automation/AI-ML (B.Tech.)	
3)	Master of Technology Energy Engineering (M.Tech.)	
4)	PhD. (Full Time/Part-Time)	
5)	Diploma In Mechanical Engineering

DEPARTMENT OF CIVIL ENGINEERING

Vision of the Department

To prepare graduates with practical knowledge and professional skills needed to address the real-time challenges in the rapidly growing fields of Civil Engineering and promote research in emerging areas.

Mission of the Department

4. To produce competent Civil Engineers with technical skills and ethical values.
5. To produce the students with in-depth understanding of fundamentals and practical training related to professional skills and their applications through effective Teaching – Learning process and state of the art laboratories.
6. To serve the construction industry by providing consultancy services and promoting Industry – Department Interactions through dissemination of knowledge and technical services.
7. To encourage students to pursue MOOC – NPTEL online course for value addition.
8. To encourage students to acquire knowledge through internship in India and abroad in emerging areas.

Message from the Desk of HoD

Greetings! On behalf of the faculty members, staff, and students of the Department of Civil Engineering at COER University, Roorkee. I (Dr. Prabhat Kumar) welcome you all to the creative world of Civil Engineering. I believe the CE discipline has been widely recognized as an essential source and technique for the advancements in all spheres of human Endeavour now and in future. In COER University all the students get the opportunity to excel in their academic activities. The Civil Engineering Department has always been a hub of innovation, learning, and collaboration, and I am confident that the upcoming year will be no exception. Our students continue to make us proud with their active participation in various technical events. Whether it be hackathons, model competitions, or engineering challenges, their enthusiasm and talent shine through, bringing accolades to our department.

Dr. Prabhat Kumar
HoD
Department of Civil
Engineering

The department has well qualified and dedicated faculty. The department strives to Impart knowledge and training of the highest standard. The objective of the department is to prepare students for a successful career in Industry, Research and Academics to meet the needs of growing technology. Our efforts are to develop the ability among students to synthesize data and technical concepts for application to product design. We provide an opportunity for students to work as members of a team on multidisciplinary projects. Department of Civil Engineering provides the hands-on experiences of our students through internships and industrial visits. These opportunities not only enhance their practical skills but also provide valuable insights into the workings of industry, bridging the gap between academia and real-world applications. We are honored to have hosted distinguished experts from the engineering domain who shared their invaluable insights

through guest lectures. These sessions enrich the academic experience of our students by providing a glimpse into the latest trends and innovations in the field. We promote student awareness for life-long learning & to introduce them to professional ethics and codes.

The Department of Civil Engineering has a dedicated block containing digital class rooms and laboratories with well-equipped audio/video facilities with high computing resources. Multiple labs, offices, and meeting spaces provide a basis for practical knowledge, along with other necessary infrastructure that includes advanced civil engineering softwares and state-of-the-art hardware.

List of Programs

Sr. No.	Programs Offered	Intake

13)	Expert Lecture on "Retrofitting of Masonry Structural Components using FRCC composites"	Dr. Praveen Kumar Venkat Rao	Oct 4, 2023	Mr. Sachin Kumar Saini

Enrollment Procedure of the University

The Admission Process shall comprise the following steps:

- a) Release of Admission Notifications through various publicity modes. The applicants can apply for admissions, both online and offline.
- b) Education Counsellors/ Faculty Representatives from Colleges should take care of the admission inquiries counsel the candidates/ parents about the programs/ courses, etc., and clear their doubts.
- c) Examine the admission forms received for eligibility check.
- d) Plan/ make arrangements for the conduct of the COER UNIVERSITY, ROORKEE Admission Test (UAT) for entrance, wherever required, for eligible applicants.
- e) The test will be conducted at the University Campus and designated centres.
- f) The test will be of 60 to 120 minutes duration comprising questions on quantitative/ qualitative aptitude, subject knowledge, general English, general awareness, etc.
- g) Candidates who have cleared UAT will be further assessed through a Personal Interview by the faculty or respective program offered by the concerned College for their subject knowledge, overall behavioural pattern, English Communication and personality, etc. by way of Personal Interview.
- h) The documents of such candidates as are found fit shall be scrutinized by the admission audit team and the final selection list shall be put up to the Admission Committee for approval.
- i) The candidates in the approved list shall be offered admission, and after payment of the requisite fees, their admission will be confirmed.
- j) The documents of the admitted students shall be sent to the concerned College for further processing.

✚ The complete process flow chart detailing all the steps from registration for admission till the enrollment in the University is tabulated below:

The University started its Academic Session 2022 – 23 from September 02, 2022 with a total strength of 775 students.

Name of the College s	Program Name	Number of Students Admitted
College of Computing	Bachelor in Computer Applications	168
	B.Tech. in Computer Science & Engineering	124
	B.Tech. (H) in CSE with specialization in AI & ML	31
	B.Tech. (H) in CSE with spec. in Cyber Security	13
	Masters in Technology in Computer Science & Engineering	02
	Masters in Computer Applications	43
	Ph.D	14
College of Business Studies	Bachelor in Business Administration	107
	Bachelor in Commerce with C.F.A.	22
	Master in Business Administration	140
	Bachelor in Commerce with Honours	54
	Ph.D	06
College of Smart Agricultural Sciences	Bachelor of Science in Agriculture	14
College of Engineering	Department of Civil Engineering (B.Tech) (Regular+Lateral)	05
	Department of Mechanical Engineering (B.Tech) (Regular+Lateral)	07
	Department of Electrical Engineering (B.Tech) (Regular+Lateral)	07
	Diploma in Civil Engineering – LE	06
	Diploma in Electrical Engineering – LE	08
	Diploma in Mechanical Engineering – LE	04
Total Student Strength for Academic Session 2022 - 23		775

Scholarship & Fellowship for the Students

The University is also providing Scholarships/ Fellowships to the students on the basis of merit on case to case basis which are as under:

- ✚ Merit Base Scholarships
- ✚ Defense Ward Scholarships
- ✚ Alumni Scholarships
- ✚ State Domicile Scholarship
- ✚ Economically Weaker Section Scholarship (EWS)
- ✚ Sibling Scholarship
- ✚ Single-Girl Child Scholarship

Total Number of Students benefited from Scholarships and Fellowships provided by the University, Government and Non-Government Agencies (**NGO's**) during the year (other than the students receiving scholarships under the Government Schemes for reserved categories):

Year	Name of the Scheme	Number of Student benefited by the University Schemes & Amount	
		Number of Students	Amount (in')
2022-23	Merit-based Scholarship	177	8814853
2022-23	Defence Ward Scholarship	26	881485
2022-23	Alumini Scholarship	88	4407425
2022-23	State Domicile Scholarship	305	15425989
2022-23	Economically Weaker Section Scholarship	132	6611138
2022-23	Single-Girl Child Scholarship	70	3525940
2022-23	Sibling Scholarship	84	4407425
TOTAL		882	44074255

Examination Report of the University

The COER University, Roorkee Examination Department is governed by the University Ordinances and Examinations Manual. The vision and mission of the department are aligned with those of the University.

For offering quality examination services, the Examination department ensures transparency in all its activities, aimed to support faculty, students and institutions. The Department administers open and secured processes and systems and collaborates closely with institutions, external organizations and individuals.

The Examination Cell is headed by the Controller of Examinations who reports to the Vice-Chancellor. The entire process of assessment and evaluation including the conduct of examination is as per the provisions of the University Ordinance and Examination Manual. As per the policy of the University, the continuous and progressive evaluation system is adopted to evaluate the learner's ability to develop analytical skills and decision-making power.

The Department is responsible for the end-to-end process of the student's assessment by conducting Final Examinations, Allocation of Invigilators, Preparing Seating Plan, Addressing Revaluation Queries, and Declaration of Results etc.

The first purpose of assessment is to determine whether students have achieved the learning outcomes and fulfilled the academic requirements of the course and of the modules within it, (as stated in the course specification and in the University's general educational aims) and attained the standard required for the award to which it leads.

Board of Examinations

The Board of Examinations is the main committee for the examination. The Constitution of the Board of Examinations is as follows:

- | | | |
|---|---|------------------|
| a) Vice Chancellor | - | Chairman |
| b) Controller of Examination | - | Member Secretary |
| c) Pro Vice Chancellor | - | Member |
| d) Registrar | - | Member |
| e) All Deans/ HoDs | - | Member |
| f) Senior Professor/ Associate Professor of College s | - | Member |

 **Note:** The Chairman may invite anyone to the meeting as special invitee. Such members may attend the meeting but will not have voting right.

Roles and Responsibilities of the Board of Examinations

- a) The Board of Examination's primary responsibility is to ensure the proper conduct of examination viz. paper setting, date-sheet preparation, and post & pre-examination work.
- b) The Board of Examinations shall recommend examination reforms and shall implement them after due approvals.
- c) The Board of Examinations must approve the Examination Department's detailed examination schedule.
- d) The Board of Examinations shall ensure strict vigilance during the conduct of the examination to avoid the use of unfair means by students, faculty and invigilators.
- e) A quorum for any meeting of the Board of Examinations shall be one-third of the members present.
- f) During the academic session, the members of the Board of Examinations shall meet at least twice.

Status of Questions Papers

The question paper is set by the Internal and External expert in the ratio of 50:50. The numbers of question papers set by various paper-setters for different programs in Academic Session 2022-23 are given below:

Sr. No.	Name of the College	Odd Term	Even Term
1)	College of Business Studies	116	102
2)	College of Computing	124	92
3)	College of Smart Agricultural Sciences	44	42
4)	College of Engineering (CE,ME,EEE)	08	10
Total		292	246

The entire work relating to the Examination Division has been fully computerized using Microsoft Software (Examination Management System).

Examination Schedule

Students register for regular and back-log courses, and exams are only given based on the course codes they have registered for. The Examination department prepares the Examination Schedule and publishes it on the website for students. A copy of the Schedule is sent to the Dean/HoD of College s for distribution to the students and to the appropriate authorities. Exam notifications are prepared in accordance with the dates specified in the Academic Calendar.

Students Appeared in the Examination

The number of students from various College s who appeared for the examination during the Academic Session 2022 - 23 is given below:

- ODD SEMESTER**

Sr. No.	Name of the College	Under Graduate		Post Graduate	
		SEM-I	SEM-III	SEM-I	SEM-III
1)	College of Business Studies	203	159	147	90
2)	College of Computing	314	229	47	25
3)	College of Smart Agricultural Sciences	16	12	--	--
4)	College of Engineering (CE,ME,EEE)	05	--	--	--
Total		538	400	194	115

- EVEN SEMESTER**

Sr. No.	Name of the College	Under Graduate		Post Graduate	
		SEM-II	SEM-IV	SEM-II	SEM-IV
1)	College of Business Studies	186	161	140	86
2)	College of Computing	135	230	45	25
3)	College of Smart Agricultural Sciences	15	12	--	--
4)	College of Engineering (CE,ME,EEE)	04	--	--	--
Total		340	403	185	111

Conduct of Examination

The number of courses for which the Examination Department conducted the examinations in various College s during the Academic Session 2022-23 is listed below:

Sr. No.	Name of the College	Number of Courses of Study
1)	College of Business Studies	4
2)	College of Computing	6
3)	College of Smart Agricultural Sciences	1
4)	College of Engineering (CE,ME,EEE)	3
Total		14

• Result Announcement

The End Semester Examinations (**Even & Odd Semesters**) results were announced within a week of the last examination.

Sr. No.	Semester	Date of Result Announcement
1)	Odd Semester 2022-23	Feb 25, 2023 & March 02, 2023
2)	Even Semester 2022-23	July 26, 2023

• Result Analysis

The result analysis for the Academic Session 2022-23 of Odd and Even Semester are as under:

Sr. No.	Program	Year/ Session	Semester	Number of Students Appeared	Number of Cleared Pass Students	Pass %
1)	Under Graduate	2022-23	ODD	938	599	63.85
			EVEN	743	558	75.10
2)	Post Graduate	2022-23	ODD	309	190	61.48
			EVEN	296	260	87.83

• TREE PLANTATION DRIVE ON HARELA

Date of Event	:	19-July-2023
Number of Participants	:	150
Chief Guest	:	Dr. Sujith Ravindran, Peace Ambassador, Italy

Description:

Tree Plantation Drive at COER University on Harela stands as a testament to the harmonious fusion of cultural traditions and contemporary environmental stewardship. Guided by the expertise of local environmental organizations and fueled by the passion of dedicated volunteers, approximately 100 saplings were lovingly planted across the designated area. The deliberate selection of tree species, ranging from indigenous varieties to those well-suited to the local ecosystem, not only fortified the green cover but also contributed to the overall ecological richness of the region.

What sets this initiative apart is its seamless integration of cultural practices into the fabric of modern-day environmentalism. Harela, a traditional festival celebrated in the region, served as the backdrop for this eco-conscious endeavor, demonstrating the potential for aligning age-old customs with forward-thinking initiatives. This unique approach not only reinforced the significance of environmental conservation within the cultural ethos but also underscored the adaptability of heritage in fostering sustainable practices.

More than just a tree-planting event, the Harela Tree Plantation Drive emerged as a powerful symbol of collective action. It vividly illustrated how communities, when united by a shared vision, can effect positive change on a local scale with global implications. It resonates as a beacon of the community's unwavering commitment to safeguarding the planet, showcasing the transformative impact that can be achieved when environmental awareness is woven into the very fabric of tradition.

● INTERNATIONAL WOMEN'S DAY

Date of Event	:	02-March-2023
Number of Participants	:	106
Chief Guest	:	Padma Shri, Madhuri Barthwal Uniyal, folk singer of Uttarakhand, India

Description:

This year's Women's Day celebration at COER University centered around the theme "Innovation and Technology for Gender Equality," with the overarching goal of shedding light on gender bias and inequality. The event aimed to raise awareness and motivate individuals to actively contribute to building a more inclusive world. Through engaging discussions, insightful presentations, and interactive sessions, the celebration successfully emphasized the pivotal role of innovation and technology in advancing gender equality.

COER University's Women's Day event proved to be a resounding success, serving as a powerful platform to underscore the significance of gender equality. The celebration not only highlighted the existing challenges but also inspired attendees to take tangible actions towards fostering a more inclusive and equitable society.

- **Awareness Baseline Household survey & Sukanya Samridhi Yojna**

Date of Event : 19-Oct-2022
Coordinator : Dr. Amarnath

Description:

The UBA (Unnat Bharat Abhiyan) members of COER took the initiative to conduct a survey aimed at comprehensively understanding the socio-economic conditions, infrastructure, and developmental needs of rural households. The primary objective of this diligent effort was to gather nuanced and in-depth data that could serve as a valuable foundation for targeted community development initiatives. Through the survey, the UBA members endeavored to gain insights into the challenges faced by rural households, identify areas for improvement, and ultimately contribute to the formulation of effective and tailored solutions that align with the specific needs of the community.

The meticulous approach of the UBA members ensured that the survey went beyond surface-level observations, delving into the intricate fabric of rural life to capture a holistic picture. By focusing on socio-economic conditions and infrastructure, the survey aimed to provide a robust dataset that could guide future projects and interventions, fostering a sustainable and impactful transformation within the rural communities. This proactive engagement by UBA members reflects a commitment to bridging the urban-rural divide and promoting inclusive development through data-driven insights and community-driven initiatives.

In the free camp, around 60 patients had registered themselves for the check-up.

Training & Placement Data

Dear Students, Faculty, and Esteemed Stakeholders,

I am thrilled to present the Training & Placement department's annual report for the academic year 2022-2023, marking a year characterized by our joint commitment to fostering educational excellence and career development.

Throughout this academic cycle, our focus remained steadfast on narrowing the gap between academia and industry. Our concerted efforts ensured that our students not only gained academic knowledge but also acquired practical skills and invaluable industry exposure. Collaborations with esteemed organizations yielded numerous internships, placement opportunities, and fruitful industry alliances, enriching our students' academic journeys.

I'm elated to announce exceptional placement statistics this year, witnessing a substantial percentage of our graduating students securing positions in esteemed companies across diverse sectors. Their accomplishments stand as a testament to their dedication, hard work, resilience, and the top-notch education imparted by our institution.

Furthermore, our array of training programs, workshops, and seminars provided priceless insights and skill development avenues, empowering our students to confidently navigate the ever-evolving professional landscape.

This success story owes its existence to the unwavering support of our faculty, staff, industry partners, and, crucially, our diligent students.

As we reflect on this year's milestones, I extend heartfelt gratitude to everyone involved in elevating our Training & Placement department to its current pinnacle of success. Let's persist in our journey of excellence and innovation, inspiring forthcoming generations to scale even greater heights.

Warm regards,

Divya Mishra

Associate Dean (Training & Placement)
COER University, Roorkee

Visit of Professor Ambrish Chandra, École de Technologie Supérieure (ETS), Montreal, Canada

Date of Event : 6-Dec-2022
Number of Participants : 56
Chief Guest : Ambrish Chandra, École de Technologie Supérieure (ETS), Montreal, Canada

Description:

A dynamic and engaging session was recently orchestrated to delve into the intricacies of the MITACS program fellowship and summer internship, fostering an environment of awareness and enthusiasm among faculty members and students alike. The primary objective was to inspire and motivate attendees to explore the myriad long-term funding and internship opportunities available for master's and PhD students through the MITACS program. The session also served as a platform to introduce and illuminate the diverse array of programs and opportunities offered by ETS, Montreal, further enhancing the prospects and academic pursuits of the participating individuals.

The interactive exchange provided an insightful overview of the rich possibilities that the MITACS program unfolds, emphasizing its potential to shape the academic journey of students through meaningful fellowship experiences and impactful summer internships. Attendees were encouraged to actively consider and pursue these opportunities, leveraging the session as a catalyst for understanding the tangible benefits that the program brings to the academic and professional growth of aspiring scholars. Moreover, the inclusion of insights into the programs and opportunities extended by ETS, Montreal added a valuable dimension to the session, broadening the horizons of participants and fostering a collaborative spirit towards unlocking new avenues of learning and development.

25th FOUNDATION DAY 2022-23

Date of Event	:	03-Dec-2022
Number of Participants	:	200+
Chief Guest	:	Shri Pushkar Singh Dhami,

Description:

During this momentous occasion, a total of 18 distinguished alumni from the College of Engineering and Research (COER) were honored and felicitated for their exceptional achievements across diverse fields, spanning academics, research, and entrepreneurship. The ceremony served as a testament to the institution's commitment to nurturing and celebrating the success of its graduates who have made significant contributions to their respective fields. Recognizing the alumni's outstanding accomplishments underscores the enduring impact of COER in shaping individuals who go on to excel in various professional domains.

In addition to celebrating alumni achievements, the event also saw the presentation of the Faculty Research and Recognition Awards, acknowledging faculty members for their exemplary contributions to the realm of research. The institute took the opportunity to extend its appreciation to dedicated employees and teachers who demonstrated steadfast commitment, with special recognition awards presented to those marking 10, 15, and 20 years of dedicated service within the institution. This dual celebration not only highlighted the academic and research excellence fostered by COER but also underscored the commitment and loyalty of its longstanding faculty and staff members.

Expert lecture on “LOGIC BASED EXPLAINABLE AI”

Date of Event : 30 Nov.2022
Number of Participants : 200
Name of Speaker : Dr. Gopal Gupta

Description:

During the insightful discussion, the expert delved into the intricacies of the FOLD (First Order Learner of Default Rules) family of algorithms, emphasizing their unique features that eliminate the need for preprocessing datasets while maintaining a high level of explainability. The expert also provided a succinct overview of the FOLD family's various iterations, such as FOLD-R, FOLD-SE, and FOLD-RM, each tailored to specific applications within the realm of explainable artificial intelligence (XAI). This elucidation offered a comprehensive understanding of how these logic-based algorithms operate cohesively to yield interpretable outcomes.

In the comparative analysis, the expert juxtaposed the FOLD family of algorithms with mainstream machine learning counterparts, including XGBOOST and MLP. The compelling demonstration showcased the superior performance of FOLD algorithms in terms of accuracy, positioning them as formidable contenders in the field of AI. The crucial distinction lies in their inherent explain ability, providing a transparent and understandable framework for decision-making. This revelation not only underscores the efficacy of FOLD algorithms but also accentuates the growing importance of integrating explainable AI approaches into the broader landscape of machine learning.

DEEP SANADHYA 2K22' DIAWALI CELEBRATION

Date Of Event : 19-Oct-2022
Organizing Club : OORJA

Description:

Diwali is called the Festivals of Lights and is celebrated to honor Rama Chandra, the seventh avatar of God Vishnu. It is believed that on this day Rama returned to his people after 14 years of exile during which he fought and won a battle against the demons and the demon king, Ravana.

It is the tradition of COER to celebrate the Deep Sandhya as Pre-Diwali celebration every year in COER Campus. This Year on Wednesday, 19 October 2022 at 4:30 pm, students and faculty members celebrated Deep Sandhya with Chancellor sir and Pro-vice chancellor.

The function began with great excitement. After Deep Prjwalan and Ganesh Vandan many cultural activities like dance, singing, skit, etc. were performed by the students.

NAVRATRI CELEBRATION

26 Sept. - 05 October, 2022

Description:

Navratri was celebrated with tremendous essence the same as of every year- devotion, fasting, dance, music, and vibrant cultural traditions at COER Campus for nine days.

The celebration involved the Goddess worship on each day both in the morning and in the evening followed by Prasad distribution. Many faculty members and students observed fasting for eight days and volunteered to make the Navaratri Puja celebration a success.

One of the highlights of Navratri celebrations was the energetic dance forms of Garba and Dandiya. Students and faculties dressed in traditional attire gathered to perform these dances, accompanied by live music.

7th Session of COER Eminent Lectures Series

Date of Event	:	21-September-2022
Number of Participants	:	233
Eminent Speaker	:	Major General (Retd.) Ajay Kumar Chaturvedi, AVSM. VSM

Description:

Major General A.K Chaturvedi conducted an insightful session addressing the "Geopolitical Impact of the Russia-Ukraine War." The presentation delved into a comprehensive analysis of the ongoing conflict and its nuanced ramifications on India. Major General Chaturvedi meticulously discussed the multifaceted dimensions of how the Russia-Ukraine war is influencing India, shedding light on geopolitical, economic, and strategic implications.

Moreover, the session provided valuable insights into the potential courses of action for India in response to the evolving situation. Major General Chaturvedi offered strategic perspectives on the way ahead, highlighting the diplomatic, economic, and security considerations that India should navigate in the wake of the Russia-Ukraine conflict. The session served as a vital platform for fostering a deeper understanding of the geopolitical landscape and equipping the audience with informed perspectives on India's optimal response strategies in these challenging times.

COER UNIVERSITY, ROORKEE 1st Annual Day

Date of Event : 17-September-2022
Chief Guest : Dr. Kumar Vishwas

Description:

The inaugural annual day celebration of COER UNIVERSITY, ROORKEE was an event filled with joy, camaraderie, and jubilation. It marked a significant milestone in the legacy of our organization.

The Celebration commenced with a grand inaugural ceremony graced by Er. J.C. Jain, Chancellor, COER UNIVERSITY, ROORKEE who shared inspiring words and inaugurated the event, setting the tone for a day filled with festivity. An integral part of the evening was the acknowledgment of outstanding contributions and achievements. Employees who demonstrated exceptional dedication, innovation, and commitment were honored, motivating others to strive for excellence.

The event was complemented by the presence of Dr. Kumar Vishwas who added more energy to the audience.

TEACHER'S DAY-22

Date Of Event : 05-September-2022
Guest of Honor : Dr. Navneet Arora, Professor, Department of MIED, IIT Roorkee.

Description:

COERU celebrated teacher's day with great enthusiasm and reverence to honor the invaluable contributions of educators in shaping lives and nurturing the future. The event aimed to express gratitude and appreciation for the dedication and hard work of teachers.

The celebration commenced with a ceremonial inauguration Er. J. C. Jain, Chancellor, COERU and Dr. Navneet Arora, Professor, Department of MIED, IIT Roorkee, acknowledging the significance of teachers and their pivotal role in society.

Many teachers and students showcased their talents through vibrant cultural performances including music, dance, skit and poetry. These heartfelt performances added a touch of joy and entertainment to the event.

COERU expressed its gratitude through speeches, cards, and tokens of appreciation presented to teachers as well as staff. Faculty members and Staff completing 10 years, 15 years, 20 years and 25 years were presented with a token of appreciation and special incentives. Along with this, teacher of the year was presented to faculty members from each department. Researcher of the year was also awarded to different faculty members at university level.

Independence Day Celebration

AZADI KA AMRIT MAHOTSAV

Date of Event : 12-15 August, 2022

Description:

COERU celebrated Azadi ka Amrit Mahotsav to commemorate 75 years of India's independence. It's a significant event marked by various activities, programs, and initiatives across the country.

The Azadi ka Amrit Mahotsav celebrations aimed to instill a sense of pride, patriotism, and remembrance among Indians while acknowledging the struggles and sacrifices of the past. It served as a platform to reflect on achievements and chart a path for the country's future development and progress.

COER University celebrated this day by organizing various cultural events, Educational Activities and by community engagement. Celebration started by community engagement through "HAR GHAR TIRANGA" march on Aug 12, 2023. More such events like Marathon, Poster making Competition, Awareness march in nearby villages were conducted to make the Independence day a success.

Faculty Orientation program

Date of Event	:	20-July-2022
Number of Participants	:	62
Chief Guest	:	Prof.(Dr.) A.K. Chaturvedi, Hon'ble Director, IIT, Roorkee

Description:

In pursuit of enhancing faculty preparedness and acquainting them with effective academic practices for the academic year 2022-2023, the Internal Quality Assurance Cell (IQAC) orchestrated a dynamic three-day Faculty Orientation Program. The primary objective of this initiative was to provide faculty members with a rejuvenating experience and equip them with the knowledge and insights needed to navigate the academic landscape successfully. By delving into contemporary teaching methodologies, assessment strategies, and institutional priorities, the program aimed to foster a collaborative and forward-thinking environment among faculty, promoting a shared commitment to academic excellence.

Throughout the three-day program, participants engaged in interactive sessions, workshops, and discussions facilitated by seasoned educators and academic leaders. The orientation covered a spectrum of topics, ranging from innovative pedagogical approaches to the integration of technology in teaching, all tailored to enhance the overall academic experience for both faculty and students. By emphasizing best practices and aligning academic strategies with the goals of the upcoming academic year, the Faculty Orientation Program sought to create a foundation for a vibrant and productive learning environment within the institution.

Expert Lecture on R&D and Innovation

Date of Event	:	31-July-2022
Number of Participants	:	67
Eminent Speaker	:	Dr. Tanupriya Chaudhary, Associate Professor , UPES

Description:

The keynote address at the event was delivered by Dr. Tanupriya Chaudhary, an esteemed Associate Professor at UPES. Dr. Chaudhary's presentation centered on recent research activities with a profound focus on societal impact and highlighted several trending projects in the academic realm. Through an insightful discourse, she shared valuable insights into the dynamic landscape of contemporary research, shedding light on the innovative endeavors that contribute meaningfully to societal advancement.

Furthermore, Dr. Chaudhary provided a comprehensive overview of multidisciplinary research areas, spotlighting domains such as Cyber Physical Systems and wearable devices. Her elucidation on these cutting-edge subjects served to expand the audience's understanding of the diverse avenues within the research landscape. By emphasizing the significance of these multidisciplinary research areas, Dr. Chaudhary underscored the potential for transformative advancements that bridge the gap between technology and societal needs, thereby inspiring and informing the academic community about the exciting frontiers of research.

COLLEGE OF ENGINEERING ROORKEE (COER)
COER-Institution's Innovation Council (IIC)
IS ORGANISING
Impact Lecture Session -2
on
1) Expert Lecture on R&D and Innovation
2) Expert Lecture on Entrepreneurship
Date:-31 July 2022
Expert Speakers
DR. ANKUR DUMKA
Associate Professor and In-charge,
Department of Computer Science and Engineering,
Northern Institute of Technology, Dehradun
DR. TANUPRIYA CHAUDHARY
Associate Professor,
Department of Computer Science and Engineering,
University of Petroleum & Energy Studies (UPES)

Presentation of Ideas/ Technology in TECH4Sewa Event Organized by IIT Roorkee, Under UBA

Date of event : 30-July-2022

Venue : IIT Roorkee

No. of Participants : 13

Faculty Members : Dr.Amarnath UBA, Coordinator, COERU, Dr. Pashupati Nath,

Mentor of the Project, Mr. Kshitiz Jain, Mentor of the Project, Mr. Amardeep, AP, Dpt. Of Civil Engineering

Student Members : Animesh Raj, Saurav Singh, Manoj Kumar, Krishna kumarsingh,

SudarshanAnand, RoshanJeena, Priya Jain, Shagun Gupta, Tannu

Description:

The aim of the summit is to provide a platform to - academicians & scientists (working in the field of grass-root innovation and adaptation of technologies) to impart knowledge and technical skills to individuals engaged in different sectors of innovation to address the concerns, issues and challenges of people - entrepreneurs, start-ups and organizations.

The summit has the following themes - Affordable Healthcare, AtmaNirbhar Bharat, Promoting Applied Research in Employment and Entrepreneurship Environment & Sustainable technologies, Good Agricultural Practices via panel discussions, virtual presentations, discussions forums and product display. The summit aims to facilitate knowledge exchange among stakeholders.

Under this summit students of COERU presented their idea/ Technology in IIT, Roorkee at regional level. Students belonging to B.Sc. Agriculture and B. Tech Computer Science presented their models and collected praise from the judges.

Institution's Innovation Council (IIC) Regional Meet, Chandigarh-2022

Date of Event	:	26- July-2022
No. of Participants	:	450+
Chief Guest	:	Hon'ble Member Secretary, AICTE, Prof. Rajive Kumar
Participants from COERU	:	Dr. Mridula, Head- IQAC, COERU Mr. B.D. Patel, Head- IIC , COERU Dr. Rohit Kannaujia, HOD- IT, Member IQAC Mr. Kshitij Jain, Asst. Prof., CSE

Description:

The Regional Meet organized by the Institution's Innovation Council (IIC) serves as a pivotal gathering, bringing together IICs from various institutions to foster a more vibrant, proactive, collaborative, and productive network. This regional-level meeting is designed to facilitate the exchange of knowledge and best practices in Innovation and Entrepreneurship (I&E) within Higher Education Institutions (HEIs). It provides an invaluable platform for IICs to share insights, strategies, and success stories, creating a robust environment that propels innovation and entrepreneurship initiatives across the educational landscape.

At the heart of the Regional Meet is the celebration of achievements and the impactful contributions made by IIC institutions. It offers a unique opportunity to showcase the emergence of successful innovators and startup founders who have thrived through the support and initiatives of their respective IICs. By highlighting these success stories, the Regional Meet not only acknowledges the accomplishments within the IIC network but also inspires and motivates other institutions to embrace a culture of innovation and entrepreneurship, fostering a collaborative ecosystem for the holistic development of students and the broader academic community.

SPORTS ACTIVITY AT UNIVERSITY

1. COER won the Veer Madho Singh Bhandari Uttarakhand Technical University Cricket Tournament 2023-24 held at Doon Institute of Engineering and Technology from 27th Nov 23 to 1st Dec 2023

2. COER University organized Yogasana Sports Championship in collaboration with the World Fitness Federation (WFF) from 29th Sep 2023- 1st October 2023

3. Sparsh Gautam, the shining star of COER University remarkable achievement of winning 4 gold medals and 1 silver medal in the 21st Uttarakhand State Championship 2023 for 10 m rifle

4. Sparsh Gautam became a member of ISSF (International Sports Shooting Federation) by qualifying the 66th National Championship and was selected for the Indian Team Trials.

5. Veer Madho Singh Bhandari Uttarakhand Technical university volleyball Girls Final COER V/s WIT. COER was Runner-up 2022-23
6. Ms. Vishakha Arya (B.Tech. 3rd year, Civil Engineering) & Ms. Priyamvada Singh (B. Tech 4th year, CSE) Selected for NZIU Badminton (F) Championship

7. Vasu Poegwal (B.Tech. 3rd year, Civil Engineering) Selected for NZIU Badminton (M) Championship

8. Veer Madho Singh Bhandari Uttarakhand Technical University: Inter-Collegiate Weightlifting & Power Championship 2023-24 organized by COER University on 3rd November 2023. COER has achieved 4 Gold Medal

10. From COER University, three Basketball player participated in North Zone (National)

11. COER University was declared first runner-up in Volley ball Games and achieves second position in Kabaddi (Boys) held at Veer Madho Singh Bhandari Uttarakhand Technical University: Inter-Collegiate Kabaddi & Volley Ball (Men & Women) tournament 2023-24 on 16-17 October 2023

12. Veer Madho Singh Bhandari Uttarakhand Technical University football tournament 2023-24 held in Tula institute, Dehradun. COER University was declared first runner-up. Total 17 teams participated in tournament and with excellent performance COER entered in final against Tulas institute, Dehradun.

13. Veer Madho Singh Bhandari Uttarakhand Technical University Basketball and Badminton tournament was held at 3-4 October 2023 at BFIT Technical Campus, Dehradun. Basketball (Girls) from COER University has achieved second position and Basket ball (Boys) reached in semifinals

14. COER University celebrated National Sports Day on 29th August 2023. Mr. Shubham Singh Mehra, silver and bronze medalist in South Asian Body Championship was the Chief Guest. Mr. Mehara talks about his journey, challenges, and the unwavering passion that led him to this remarkable feat. Also, COER University had won National Sport's Day Basketball Tournament

15. Achievement of COER University in RUNN 2023

Badminton Boys - Gold

Single event - Gold

Doubles Event -Gold

Girls Single - Gold

Doubles Event - silver

Table Tennis Boys -Gold

Table Tennis Girls- Gold

Future Plan of the University

Academic Excellence and Innovation:

- Foster a culture of academic excellence by continuously updating and enhancing the curriculum to meet the evolving needs of industries and society.
- Promote innovative teaching methods, incorporating technology and real-world applications to engage students and prepare them for the challenges of the future

Research and Development Initiatives

- Establish a robust research and development framework to encourage faculty and students to undertake cutting-edge research in various disciplines.
- Foster interdisciplinary collaborations and partnerships with industries to address real-world problems and contribute to technological advancements.

Globalization and Diversity

- Enhance global perspectives by fostering international collaborations, exchange programs, and partnerships with reputed universities worldwide.
- Promote a diverse and inclusive campus environment that celebrates different cultures, backgrounds, and perspectives, preparing students for a globalized workforce.

Technology Integration

- Invest in state-of-the-art infrastructure and technologies to facilitate seamless online and offline learning experiences.
- Develop and implement technology-driven solutions to streamline administrative processes, making education more accessible and efficient for both students and faculty.

Community Engagement and Social Responsibility:

- Strengthen ties with the local community through outreach programs, contributing to social and economic development.
- Promote a sense of social responsibility among students by integrating community service and ethical considerations into the curriculum, instilling a commitment to making a positive impact on society.

Accreditation and Recognition

- Strive to meet and exceed accreditation standards set by relevant educational bodies. Regularly assess and improve academic programs, faculty qualifications, and institutional infrastructure to ensure ongoing compliance.
- Pursue accreditation from reputable international accrediting bodies to enhance the university's global recognition and credibility.
